The Secretary to the

of Mysore.

Sir,

From Supdt. Astagram No. 485 dated the 7th March 1870. with Inclosures } to be obligingly returned.

I have the honor to submit for the consideration of the Chief Commissioner the correspondence noted in the margin relating to the necessity of establishing another Judicial Assistant's Court or a Small Cause Court at Mysore.

2. The number of suits brought in the Judicial Assistant's Court at Mysore is more than double the number brought in any other Judicial Assistant's Court except the one at Shimoga. The Court was opened at Mysore early in May 1869, and an

ring the eight months from May to December 1180 suits were instituted be-fore it; giving an average of 147½ per mensem, of which the details are as follows,

In May	228
June	110
July	110
August	141
September	165
October	141
November	154
December	131
	1186

3. In the same period two Judicial Assistant Mr. Joseph Lacey B.L. has disposed of 795 suits, or at the rate of 100 suits per mensem. And the Superintendent of the Notagram Division is well pleased with the manner in which the work has been done. It must also be stated that these figures do not include the executions and miscellaneous cases which form a large portion of the business of every court.

4

4. Mr Lacey having done all that could fairly be expected of the Judicial Assistant at Mysore, the busi=ness of his court steadily gains upon him and month by month falls more and more into arrears. The following comparative statement shows how many more suits are brought before the Judicial Assistant's court at Mysore than in other Districts.

	Suits filed in eight months	Disposed of
Bangalore.	497	423
Mysore.	1180	795
Kolar.	416	386
Toomkoor.	434	413
Kadoor.	335	228
Shimoga.	621	489
Cuddoor.	448	423
Chittuldroog.	264	250.

These figures I think clearly show that there is quite enough work for two Judicial Assistants at Mysore. And the chief question remaining is as to

to the form in which the additional judicial power should be given.

5. Mr. RicRetto who was first judge of the Small Cause Court at Bangalore regrets to see the inhabitants of the town of Mysore unprovided with a similar institution. He therefore advocates the establishment of a Small Cause Court at Mysore on the model of the one at Bangalore.

6. I am unable to go so far as Mr. RicRetto in his praise of the institution at Bangalore. I have never been able to understand why so much mention has been made at different times of the supposed "popularity of the court". I apprehend that in the small cause court, as in other civil courts, the decision seldom pleases both parties, and often pleases neither party; and I deprecate the application to courts of justice of the test of popularity.

7. The considerable measure

of

of success which has attended the administration of justice in the Bangalore Court of Small Causes is attributable to the pains taken by the Judges, and not to the regulations of the court, which are highly technical without being clear, and lengthy though incomplete. It is inconvenient to have a court at Bangalore following a procedure at variance with the procedure of every other court in the province. And the technical rules, which may be tolerated in the Small Cause Courts at the Presidency Towns are out of place in a native State. And the Government of India in their letter No. 1200 of the 10th of December 1866 have expressed their displeasure that the court was not established on the footing of the small cause courts in the Mofussil. The finality of the decisions of the Court of Small Causes is also in my opinion a serious objection to the establishment of such a court at Mysore, where a healthy public opinion has not yet been developed, and where intrigue and corruption have long had their home.

I think that we should establish such a court at Mysore as would work well under a native administration; and under such conditions the right of appeal appears to me to be necessary. I am therefore unwilling to recommend the establishment of a court of Small Causes at Mysore.

8. Of the plans suggested by Major Campbell I am in favour of the establishment of a second Asst. Assistants Court at Pallully with territorial jurisdiction over the northern taloo Ks, and if this Plan were approved of it would be easy for the Chief Commissioner to settle which taloo Ks should be within the jurisdiction of the court at Pallully, and which should be within the jurisdiction of the court at Mysore. I doubt whether there would be much saved by placing the two Assistants in one court with a single establishment. Their separation by a few miles

would afford increased convenience to the public, and would obviate the chance of collision.

9. I see no sufficient reason for making any difference in the establishments of the two Jadl. Assistants Court at Mysore and Palhully, as the work to be done would be the same, and having regard to the large surplus of stamp revenue available and to the necessities of the case, I beg to propose that the new court to be established at Palhully should have the same establishment as the Judicial Assistants Court at Mysore, and that both should be provided with an establishment on the scale following.

1	Sheristadar and Nazir	Rs.	80—"—
1	Head Clerk	"	50—"—
1	2nd "	"	30—"—
1	Record Keeper	"	50—"—
1	Head Moonshee	"	35—"—
2	Moonshees at 25 each	"	50—"—
1	Moonshee	"	20—"—
1	Moochee	"	10

1	Duffadar	Rs.	8 — " — "
4	Peons — 2 at 7 each and two at 6 "		26 — " — "
1	Lascar	"	7 — " — "
1	Moorchie	"	6 — " — "
1	Sweeper	"	5 — " — "
	Total	Rs.	377 — " — "

I do not think that the duty would be efficiently carried on with a weaker establishment.

10. The number of suits instituted in the court of the Judicial Assistant at Bassein from May to December was only 333, and it appears to me that no further increase of the establishment of that court is necessary than that of the two moonshees on Rs. 25 each who have lately been transferred to that Court from the General Assistants Court.

Sir,

In reply to your letter No. 2504/338 of the 31st Ultimo, I am directed to state that the Offg. Chief Commr. concurs in the views therein expressed, and considers that the best arrangement will be, the establishment of a 2nd Jud. Asst's Court at Balhalli, with jurisdiction over the Northern Talooks, as proposed by you, & with an Establt on the same scale, aggregating Rs 377, as that recommended for the existing Court at Mysore. An application will accordingly be submitted at once from this Office for the sanction of the Govt. of India.

2. With respect to the Officer required to fill the post of Judge of the proposed Court, the Offg. Chief Commr. requests that you will be so good as to state, whom you would propose to select for the purpose, from amongst the present Asst. Superintendents,

and I am desired to add that it would be convenient if a Native could, if possible, be selected, his pay being from Rs. 400 to 500.

3. With regard to your remarks in para: 7, relative to the defects in the Rules of the Small Cause Court at Bangalore, I am directed to observe that the Offg Ch: Commrs. sees no reason why they should not be amended, and the Court placed on the footing of other similar Courts in the Mofussil; and that the question shall be considered.

4. Colonel Meade concurs in your opinion that no increase is required to the Establt of the Nagpur Judl & Revenue Court.

Sir,

I have the honor, by direction of the Hon'ble Chief Comr, to submit for the consideration and orders of H.E. the Governor General in Council, copies of the letters noted in the margin from the Hon'ble Judl Comr of Singapore, — the first bringing to notice the necessity that exists for increasing the strength of the Establishment of the Judicial Assistants' Court; — and

the second strongly urging the formation of an additional Judicial Assistant Court in the Singapore District, to relieve the present Court of the charge of a portion of the Work now devolving on it, which it is quite incapable of performing satisfactorily. —

2. The proposed measures are distinct from each other, but as the copies of which copies are forwarded herewith bear on both, it will be more convenient to deal with them together in this letter.

I am instructed to add that, as the Hon'ble Judl Comr's letters appear to justify the grounds on which both measures are recommended by him, the Hon'ble Chief Comr has directed the letters to be submitted to you, with the endorsement of Sympathy, notwithstanding the doubt

Abstract of the Opinions of the Superintendents, on the practicability of reducing the Establishments of the Govt. Assistant Supts., with a view to strengthening those attached to the Judicial Assistants, as suggested by the Judicial Commissioners.

Bandicoorg	Coimbatoor.	Salem.	Remarks by Chief Secy.
The principal and indeed the only objection urged against the reduction contemplated by the Officiating Supt. D. B. Dy, with whom the question was discussed is that the Nazir must perform much work of a miscellaneous character which, though not strictly the kind of work for which they were originally entertained, has been thrown upon them by the receipt of addressing the other Ministerial Officers of the Court. The Assts. in the Bangalore District have no serious objection to offer to the proposed reduction. Although the Revenue and Miscellaneous work of the Assts. has increased to some extent since the Establishs were formed yet it is believed that this is more than Counterbalanced by the relief given in the withdrawal of the Civil Jurisdiction The number of Cases disposed of since the Appt. of Jud. Assts. is so few as to make no appreciable addition to the work of the Govt Assts Courts — In disposing of these Cases the procedure is similar to that of Civil Suits, but from the nature of Revenue Suits it is obvious that the procedure does not involve the numerous processes which attend the Service of a Nazir and his Assts to take charge of stolen property in occasional Cases the Nazir of a Govt. Assts' Court is not much occupied with his own functions, while there would be no difficulty in delegating these to the said Assistants. Observations. After due consideration, the Supt is of opinion that the reduction of the Establ. attached to the Govt. Assts Courts may be carried out to the extent proposed by the Jud. Commr by the transfer of the Nazir from those Courts for duty in the Jud. Assts Courts.	The amount of work now performed by the Govt. Assts has been greatly diminished, while that of the Judicial Assts. has been very heavy. The files of the Mysore Jud. Assts' Court show that from May to Dec. last over 100 Suits have been disposed of monthly in addition to other Cases, and that the work has generally been done in a judicious and thorough manner. Savings to the extent of Rs 438 may be effected by the following reductions from the Govt Assts Establishments — Mysore Assts — 4 Moonshees @ 25 = 100. Hassan do 2 do — 25 = 50 By the abolition of the 2nd Class Govt. Assts' Court at Mysore — 288 Rs. 438. Suggests that the Nazirs may be retained as they are very useful in Criminal Courts. The 4th Moonshee was originally provided for Govt. Assts under the impression that not being so familiar with Canarese as the Native Assts. this 4th would be req'd by them — But the puntum of business is the same in all Courts with regard to the drawing out of Petitions &c and yet the Native Assts. find the staff of Moonshees in their Courts to exceed their requirements. In their present precarious, the Supt solicits authority to attach as a temporary measure 4 Moonshees to the Mysore Jud. Assts' Court, and 2 to the same Court at Hassan — He does not advocate that this arrangement should be a permanent one, because he understands that it is in contemplation to establish another Court at Mysore. With this view the abolition of the 2nd Class Govt. Assts' Court at Mysore has been recommended. This Court has been a Cumbersome settlement & head, and the Supt is of opinion that 1 Govt. and 2 Native Assts. will always suffice for the Mysore District. The following shows will be available for the Courts of Law. Present Est. of the Jud. Asst at Mysore — 362 do do Hassan 261 Savings by Reduction, shown above — 438 1,061 This sum to be divided in the following manner. Jud. Asst. Mysore — 377 do Hassan 366 2nd Court at Mysore (Abolition part of Jud. Asst. Establ. on the Cancellation of Govt. Asst. Establ.) 377 1,060 Details on these points will be furnished to the Jud. Commr.	From Extracts received from the Districts on this subject, the Dy Asst. Commissioner recommends that Nazirs may be dispensed with while the Dy Asst. of Chittledroog suggests their retention and the reduction of the Record Keepers in their stead. The Supt is of opinion that the Nazirs could best be spared but it may be preferable to direct that one Peon be reduced from the establishment of a Special Asst. leaving to the Dy Asst. the option of dispensing with the services of the Nazir or any other Official of equal Salary. 2/3. 4. 70	There is some difference of opinion as to the reduction of the Nazirs of the Offices of the General Assistants for the proposed purpose, but the balance is decidedly in favour of the measure and it should be generally adopted. The Superintendents making their own arrangements for delegating to other members of their Offices the duties hereto performed by the Nazirs. A statement will be also now prepared showing the number & pay of the Nazirs thus dispensed with & how it is proposed to dispose of them in accordance

		The Judicial Assts' Court at Mysore has established early in May 1869, and the number of suits brought before it during the 8 months from May to Dec. last, was 1,180, or more than double that brought in any other Jud. Assts' Court except the one at Shimoga. Of these, 795 were disposed of by the Jud. Assistant, giving an average of 100 per mensem, exclusive of other miscellaneous cases which form a large portion of the business of every Court. Notwithstanding this, the business of the Mysore Court steadily grows upon the Jud. Asst. and month by month falls more and more into arrear. The establishment of this Court is therefore ~~[illegible]~~ and Subsidy-Assistant Court of Nuggur has been selected as the most suitable place for it. To meet the extra expenditure it is proposed to abolish the Court of the 2nd Class Sur. Asst at Mysore, costing Rs 2887 per annum, and thus added to ~~[illegible]~~, the balance of saving effected by the reduction of the Duties of the 17 Jud. Assts' establishments will give Rs 346 towards the ~~[illegible]~~ leaving a deficiency of Rs. 31- to be sanctioned.	Recommended. The Commissioner of Mysore's proposition is approved by this Court. The saving effected by the reduction of the Duties of the 17 Jud. Assts' establishments will give Rs 346 towards the ~~[illegible]~~ leaving a deficiency of Rs. 31- to be sanctioned.	Lly: / C. A. Sir,

I have the honor to acknowledge the receipt of your Offg Secretary's letter, dated the 23d of May 1870, recommending certain alterations in, and additions to, the judicial establishments in Mysore.

No. 1038-52 J.

2. His Excellency the Viceroy and Governor General in Council observes, that the proposals to give effect to these modifications are as follows, 1st, to increase the ministerial establishments in 8 judicial Courts to the extent of Rs 282 per mensem. To cover this charge, reductions to the extent

of

of Rs. 340 will be made in the Offices of 17 General Assistant Superintendents. There will thus still be a saving of Rs. 58 per mensem on this head.

3. The second proposal is to create a new judicial Court for the northern Section of the Mysore District, to be located at Palhully, with a ministerial establishment to be maintained at the rate of Rs. 377 per mensem. This charge is to be met partly by the saving of Rs. 58, effected on the first head as shewn above, partly by reductions to the extent of Rs. 288, in the Court of the 2d. Class Assistants at Mysore, the remainder (Rs. 31 per mensem) being the extent of increased expenditure involved by these propositions.

4. His Excellency in Council further observes that there will be no additional charge consequent upon the appointment of a Judge to the new Court, as he will be

provided

provided from the general Staff of Assistants.

5. Under the circumstances His Excellency in Council is pleased to sanction both your proposals, involving a total increase of expenditure to the extent of Rs. 31 monthly; as also the nomination of Mr. Abdool Kadir to the additional judgeship now established.

6. I am to request that you will report what extra expenditure will be incurred on account of furniture &c. on the first establishment of the Court, and of rent for the house at Dalhully.—
